

How to add a Printer on the Network: iOS

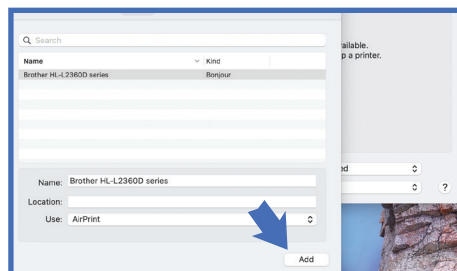

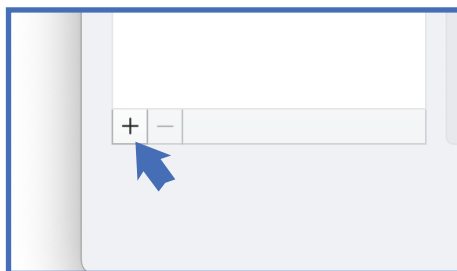

The MERIT Quick Guides are a series of step-by-step instructions to help you harness the power of technology.

1

Select the apple button in the upper-right hand corner, then go to system preferences, select printers and scanners.

2

Choose Add (+) to add a printer or scanner. Wait for it to find the nearby printers, and choose the one you would like to use, click Add.
